Subject: Carolina Water/Georgetown bulk sewer agreement Docket No. 2012-383-WS

This will confirm our conversation of last evening wherein I explained that Carolina Water was prepared to make a formal proposal to ORS in an effort to resolve the matter. We hope to meet with ORS as early as Tuesday afternoon of next week to discuss. May we have an additional week until Friday October 11th to update the Commission on the status of our ongoing negotiations? Please let me hear from you. Thanks.
